

WARNING: CONTAINS SHARPS AND SYRINGES

DO NOT RECYCLE!

STICKER: *Apply this sticker to an empty laundry detergent or softener bottle. Studies show this type of container is the most puncture resistant.*

STORE: *Carefully place your used syringes and other sharps into the bottle.*

SEAL: *When full, cap the bottle and seal the cap with heavy duty tape.*

DISPOSE: *Dispose of full bottle in your household trash. Let your garbage hauler know that sharps are present. **DO NOT RECYCLE THIS CONTAINER!***
